## **SB 1080 - HB 1617**

March 20, 2003

**SUMMARY OF BILL:** Specifies that provisions authorizing corporations, businesses or individuals to prohibit possession of weapons by employees or other persons on their premises do not apply to a person with a handgun carry permit who enters the property and does not remove, utilize or allow to be removed or utilized any weapon from their vehicle.

### **ESTIMATED FISCAL IMPACT:**

**Decrease Local Govt. Expenditures - Not Significant**  
**Decrease Local Govt. Revenues - Not Significant**

Impact depends upon the number of persons not convicted of unlawfully carrying a firearm that would have been in the absence of the bill and the resulting decreased cost to local governments not having to confine such persons versus the decreased revenues to local governments from fines not levied or collected.
